Inauguration

Plant maintenance

CPJ Visit

The plant began feeding electricity into the National Grid of the Southern Region, which currently benefits the provinces of Namibe and Huila

The formal act was led by His Excellency the Minister of Mineral Resources and Petroleum, Dr. Diamantino Pedro Azevedo, in the presence of His Excellency the Minister of Energy and Water, Eng. João Baptista Borges, and His Excellency the Governor of the Province of Namibe, Dr. Archer Mangureira, representatives of the shareholder companies, provincial government officials, traditional and religious authorities

As part of the preventive maintenance, the cleaning of the panels was started to improve the plant's performance

Visit of the Provincial Youth Council to verify the social impact of the Project.
